(End of Summary of Changes)

** 3.16.2 Government Owned Upland Disposal Area

The Contractor may elect to use disposal sites owned or controlled by the US Army Corps of Engineers (USACE). Bidders proposing to use a government owned/controlled site must have written approval from USACE. Their bid must include the written approval and the Contractor Furnished Disposal Areas Form. Disposal sites owned/controlled by USACE have already received the required approvals from the listed agencies in paragraph 3.16.1, above. No additional coordination with these agencies is required. Separate payment will not be made for any dike repair and maintenance and spillway work required for the use of the USACE disposal sites. All costs associated therewith shall be included in the prices for other items of work contained in the Bidding Schedule. **

** 3.16.3 Submittal of Bid

The Contractor shall submit only one bid which shall be based on either use of the Ocean Dredged Material Disposal Site (ODMDS) shown on the contract drawing, or the use of approved Contractor provided disposal areas, or a combination of the two.
